

# **2023 Summer Reading Program**

The theme for iREAD's 2023 Summer Reading Program (SRP) is *Find Your Voice!* We are sharing that our voices have power. *Find Your Voice!* will provide a context for exploring books, history, social justice, and STEAM fields as well as develop library programs and services that empower patrons of all ages to make their voices heard.

The Great River Regional Library (GRRL) SRP is a fun way to keep kids learning and their minds growing! Thanks to our sponsors, it is offered free of charge to all children. So what does being a GRRL SRP sponsor mean? Sponsorship provides children who participate the chance to earn fun reading incentives and prizes at their local library while having the resources to stay on track for school during the summertime. In 2022, across 32 branch locations, we had 12,373 babies, children, and teens participate! Our goal is to have every child gain access to books and receive a book bag of their own. Your sponsorship will make a difference for many children in your community!
